

### **REMARKS**

Applicants have submitted an amended sequence listing in compliance with 37 C.F.R. §§ 1.821-1.825 in response to the Notice to Comply and have amended the specification in order to incorporate it therein. The amendments to the sequence listing merely correct the errors noted in the sequence listing error sheet provided by the Office, and provide SEQ ID NO: 225. The amended sequence listing has been generated from the specification and figures and does not constitute new matter (see, for example, Applicants' May 19, 2006 Response to Office Action).
